Finance, Marketing and Business Consulting

Today's business environment requires the ability to scale any business idea to market acceptance and saturation quickly, therefore Behringer has adapted proprietary educational systems created over 25 years through his Real Estate, Marketing, Management, and Capital Advisor divisions, establishing three (3) entities in 2024 (TIER 21 MARKETING ADVISORS, TOTAL MANAGEMENT ADVISORS, and BELLAJACK CAPITAL PARTNERS) that can assist with one or all categories, to implement and direct business growth quickly and effectively to clients Worldwide.

(BEHRVISION COACHING AND CONSULTING est. 2025), is an elite level business coaching service, where clients not only receive access to Todd Behringer one on one, but also to other division leaders across The Behringer Group Family of Companies.

This well rounded business expertise has laid the foundation for "The BehrVision Show - Uncut" a podcast created for youtube <https://www.youtube.com/@realtoddbehringer> with the vision of unfiltered discussions with clients and Todd Behringer himself as moderator.

Quick personal dossier of Todd Clifton Behringer, a Texas businessman. It outlines his life, career, and entrepreneurial ventures.

- Mr. Behringer started his career at Lennox International before launching his entrepreneurial journey in 1990.
- He founded TDP Superstores Corp. (Top Dollar Pawn Superstores), growing it to be the largest volume operator in the US with 41 locations, and later selling it in a 9-figure all-cash transaction in 2013.
- In 2005, he established The Behringer Group, LLC to manage his various ventures.
- Post-sale, he ventured into retail (Bicycle World Texas, Waco Running Company), then transitioned into hospitality (Union Brands Eateries Texas) and real estate.
- He has made significant real estate investments in Waco and Port Aransas, Texas.
- Behringer is currently involved in health & wellness (I-Vit Hydration Lounge, Waco Body Mend Company) and business consulting (Tier 21 Marketing Advisors, Total Management Advisors, BellaJack Capital Partners, BehrVision Coaching and Consulting).
- Todd is active in philanthropy, supporting community and schools, and has received recognition for his contributions.
- He is an accomplished endurance athlete and outdoor enthusiast.

In essence, Todd Behringer is a serial entrepreneur with a history of building successful businesses across various sectors, and he is also committed to philanthropy and personal pursuits.

Todd Behringer was born in 1965 in Waco, Texas. He earned a Bachelor of Business Administration from Baylor University in 1988.
